ABOUT US

LMI Aerospace is a leading supplier of **structural solutions and engineering services** for *large commercial airplanes, business & regional jets, and military aircraft.*

We employ approximately 2,000 engineering, manufacturing and testing experts across LMI. Our integrated team approach and full life cycle of capabilities enable our employees to take advantage of a wide range of opportunities for career growth within our organization.

LMI is a member of the Sonaca Group, a global Belgian company active in the development, manufacturing and assembly of advanced structures for civil, military and space markets. The group is especially known for its capability to design and produce advanced structures such as wing movables and complex fuselages. Sonaca Group also supplies engineering services, large sheet metal elements, wing panels, composite structures and machined components.

OUR VALUES

We work hard to incorporate our values in every decision we make and every action we take. They are the foundation of our success and define how we work together:

L LET'S DO THE RIGHT THING

- We act with consideration for our people, partners, customers, shareholders, communities and resources.
- We do what's right even when we think no one's looking, and when we make mistakes, we own them and fix them.
- We openly share information and insights as appropriate.

M MAKE A DIFFERENCE & SEEK THE BEST IN EVERYONE

- We expect the best in ourselves and help others to find the best in themselves.
- We assume the best of others and are open to other perspectives.
- We actively listen to create understanding, and ask questions no matter how tough.

I IMAGINE SOMETHING GREATER

- We look to see the bigger picture – how our work helps to serve our customers, how our individual successes link to LMI's success, and to understand the challenges and opportunities shaping our business.
- We reach out to others across the organization for insights that help guide decisions and generate ideas.
- We continually look for and are open to better ways to do things and think about how to make LMI a better company.

OUR MISSION

Creating the structures that help our customers soar.
